ICOM-CC

València 2023
20th Triennial Conference

TRADE FAIR

18 - 22 September

TRADE FAIR

INFO FOR EXHIBITORS

The ICOM-CC 2023 TRADE FAIR is a unique opportunity for all those working in the field of conservation to showcase their work and products, be they conservation tools and consumables, research tools, projects or results, training opportunities, specialized publications, etc. Because the ICOM-CC 2023 TRADE FAIR will take place as part of the 20th ICOM-CC Triennial Conference, the trade fair will be visited by numerous professionals from all over the world, maximizing the impact on those who matter most.

Each exhibitor will have a standard or double-sized stand. Customized stands are also available. The stands will be situated on the UPV campus in the middle of the auditoriums hosting the Working Group sessions, in a setting highly conducive to effective networking and communication. Any exhibitors who want a room to deliver a presentation will be able to organize an 'impromptu meeting' free of charge (see 'Impromptu meeting' for further info).

Exhibitors will have

THE OPPORTUNITY TO

- Have face-to-face contact with professionals involved the cultural heritage conservation from all over the world. Over one thousand people are expected to attend the conference.
- Showcase and sell publications, tools and products related to conservation practice (artwork transportation, technical appraisal, conservation assessment, etc.).
- Showcase commercial services of interest to conservation and heritage professionals, including conservation services.
- Disseminate the results of public- and privately-funded research programs.
- Showcase conservation work of special relevance.
- Deliver a special-interest presentation in a 25-person room with audiovisual equipment, free of charge.
- Organize demos and talks in an open tent within the Trade Fair, free of charge.
- Include a promotional item in the conference bag delivered to each delegate.
